General Information for All Applicants

1 Glossary of Terms

‘Applicant’ means the parent / guardian of a student, or, in the case of a student who has reached the age of 18 years, the student, who has made an application for admission to Adamstown Community College.

‘Student’ means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply ‘prospective’ as part of the interpretation. That is, the use of the word ‘student’ does not mean that the application for him/her has been accepted such that s/he is regarded as a student of Adamstown Community College by virtue of application alone.

‘Gender’, in line with the definition of “the gender ground” in the Equal Status Act 2000, is such that “one is male and the other is female”. This does not prejudice any student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

‘Catchment Area’ refers to the designated residential area for application to Adamstown Community College in respect of the person on whose behalf the application is being made. The catchment area for to Adamstown Community College is defined as:

Priority Zone 1 Adamstown SDZ. To view SDZ map [click here](#)

Priority Zone 2: The area inside the boundaries created by:

- a) To the South, along the canal from the Kildare border to the outer ring road/Grange road (R136)
- b) The river Liffey to the north
- c) The Kildare County line to the west
- d) The Ballyowen road to the east (R136)

‘Parent’ has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

‘Feeder Primary Schools’ refers to the primary schools of preference for application to Adamstown Community College. The feeder primary schools for Adamstown Community College are:

- 1.1. St John the Evangelist Primary School, Adamstown
- 1.2. Adamstown Castle Educate Together Primary School, Adamstown
- 1.3. Esker Educate Together Primary School, Esker Lane, Lucan
- 1.4. Griffeen Valley Educate Together, Esker South, Lucan
- 1.5. Lucan Educate Together, Ballyowen, Lucan
- 1.6. Scoil Mhuire, Woodview, Lucan
- 1.7. Scoil Aine Naofa, Esker, Lucan

For the purpose of the selection criterion relating to the student having a sibling who previously attended the school, **‘Sibling’** refers to full siblings, half-siblings, foster-siblings and step-siblings.

For the purpose of the selection criterion relating to the student having a sibling currently enrolled in the school, **‘Sibling’** refers to full siblings, half-siblings, foster-siblings, step-siblings and students who reside in the same household.

‘First-Year’ means the intake group of Students for the most junior class or year in a school.

2 Admission Statement

Characteristic Spirit Statement for Non-Designated ETB Schools

ETB schools are state, co-educational, multid denominational schools underpinned by the core values of:

Excellence in Education;
Care;
Equality;
Community and
Respect.

As the state provider of education, the ETB sector defines a ‘multidenominational’ school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Accordingly, Adamstown Community College shall not discriminate in its admission of a student based on the following grounds:

- 2.1. Gender of the student or applicant.
- 2.2. Civil status of the student or applicant;
- 2.3. Family status of the student or applicant;
- 2.4. Sexual orientation of the student or applicant;
- 2.5. Religion of the student or applicant;
- 2.6. Disability of the student or applicant;
- 2.7. Race of the student or applicant;
- 2.8. The student's or applicant's membership of the Traveller community;
- 2.9. Special educational needs of the student or applicant.

Adamstown Community College shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a Student.

3 Legal Framework

Adamstown Community College was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of Adamstown Community College is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in section 5.2 in respect of applications made to the First-Year group and in section 6.2 in respect of applications made to all years other than the First-Year group.

It is important to understand that our school does not provide 'religious instruction' and therefore the legal requirement to advise of the option to opt-out of religious instruction does not arise in this school. It is important to understand the distinction between 'religious instruction' and 'religious education':

- Religious instruction is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

- Religious education is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

As ETB schools are ‘multi-denominational’, Adamstown Community College supports the provision of religious education that caters for all students regardless of their religious or non-religious beliefs.

Adamstown Community College will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.

Adamstown Community College will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

4 General Admission Provisions

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy
- the annual admission notice of the school, and the
- information provided by the Applicant in the application for admission.

If, prior to the commencement of section 62 of the Education Act 1998 by the Education (Admission to Schools) Act 2018 on the 1st February 2020, Adamstown Community College had confirmed, in writing, that an applicant had been placed on a list relating to the allocation of school places for entrance before the 1st February 2025, then this confirmation is still valid and the applicant will be offered that place.

In processing an application Adamstown Community College **shall not consider**:

- 4.1 The payment of fees or contributions to the school
- 4.2 A student’s academic ability, skills or aptitude
- 4.3 The occupation, financial status, academic ability, skills or aptitude of student’s parent(s)
- 4.4 A requirement that a student or his or her parent(s), attend an interview, open day or other meeting as a condition of admission
- 4.5 A student’s connection to the school due to a member of his or her family attending or having previously attended the school, unless the connection is a sibling of the student concerned attending, or having attended, the school.

4.6 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual Admissions Notice for that academic year.

Adamstown Community College **will consider** the offer of a place to every student seeking admission to the school, **unless one of the following applies:**

4.7 The Parent fails to confirm in writing that s/he accepts the Student Code of Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code by the Student

Where Adamstown Community College considers an application, each student shall receive a place, unless the school is oversubscribed, in which case, selection criteria will be applied to each application.

Section 5 of this Policy addresses the selection criteria and other matters related to the admission provisions for the first-year group.

Section 6 of this Policy addresses the selection criteria and other matters related to the admission provisions for all year groups other than first-year.

5.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Adamstown Community College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which students have been placed on the waiting list.

For the avoidance of doubt, if a student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a student is admitted to the school.

5.1.2 Selection criteria in order of priority

The catchment area of Adamstown and Lucan will be defined as follows:

Priority Zone 1 Adamstown SDZ. **To view SDZ map click [here](#)**

- 5.1.2.2 Students resident in Adamstown SDZ not attending the schools listed in 5.1.2.1 above and who are completing or have completed primary education elsewhere.

- 5.1.2.8 All other applicants resident outside of Priority Zone 1 and 2 up to the maximum student number determined by the Board as appropriate for the relevant year.

5.1.3 Selection process

Adamstown Community College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out against all selection criteria until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Adamstown Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

5.1.4 Late applications

An application received by Adamstown Community College after the closing date published by the school and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Adamstown Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications, irrespective of any selection criteria which may be applied to applications received before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to section(s) 4.7. For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where Adamstown Community College is not oversubscribed, *i.e.* there is no waiting list, and it receives a late application, the Student seeking admission will receive an offer of a place within the school, subject to sections 4.7, and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

5.1.5 Second/third round offers of a place

Where a student is in receipt of an offer of a place within Adamstown Community College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next student on the waiting list in a second round of offers. This process will continue throughout third and fourth rounds etc. until all places within the school have been filled.

5.1.6 Acceptance of a place

If the student in respect of whom the application is made is offered a place, the applicant will be issued with an Acceptance Form by the school.

The applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late

application or if it is a second/third round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer as set out below.

5.1.7 Refusal

Where a student in respect of whom an application is being sought has not been offered a school place, the applicant will be provided in writing with:

- 5.1.7.1. The reasons that the student was not offered a place in Adamstown Community College.
- 5.1.7.2. Details of the student's ranking against the published selection criteria, if the year-group to which the applicant is applying is oversubscribed
- 5.1.7.3. Details of the student's place on the waiting list, if applicable, and
- 5.1.7.4. Details of the applicant's right to appeal the decision

In addition to the conditions for consideration of an application as set out at 4.7, an offer of admission may not be made where:

- 5.1.7.5 The information contained in the application is false or misleading in a material respect.

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
 - 5.1.8.2. The applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
 - 5.1.8.3. An Applicant has not indicated:
 - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
- and

- (ii) whether or not or s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place for that academic year (and shall not be placed on a waiting list). If the Applicant still desires a place for that academic year, a new application must be made for the same academic year on behalf of that Student and shall be treated as a late application in line with section 5.1.4 above.

5.1.9 Appeals

For information relating to an Applicant's right to appeal a decision of Adamstown Community College regarding admission to the First-Year Group, see section 5.2.

5.2. Appeals

5.2.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Adamstown Community College. Such a review must be sought by the Applicant within twenty-one calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info.adamstowncc@ddletb.ie

If an applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal must not be brought until the Applicant has received correspondence from the

board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

5.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Adamstown Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Adamstown Community College. Such a review must be sought by the Applicant within twenty-one calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info.adamstowncc@ddletb.ie (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's 'Procedures for hearing and determining appeals under section 29', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

5.2.3. Basis for a review by the board of management:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.

6.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 6.1.2 below will apply and a waiting list shall be compiled which shall remain valid for the school year in respect of which the applications are made. Where Adamstown Community College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which students have been placed on the waiting list.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all years other than the First Year Group.

Where the Transition Year Programme and Leaving Certificate Applied Programme in Adamstown Community College are oversubscribed, a Student applying for admission to such programmes in the relevant year group, will, subject to this policy, be placed on the appropriate waiting list already compiled (annually) by the school, which list will contain the names of students enrolled in the school who have been placed on an internal waiting list for these programmes.

6.1.3 Selection process

Adamstown Community College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining applicants are considered in light of the second criterion and those applicants who meet this criterion will be offered a place within the school. This process is continuously carried out against all selection criteria until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Adamstown Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

6.1.4 Late applications

An application received by Adamstown Community College after the closing date published by Adamstown Community College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Adamstown Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications, irrespective of any selection criteria which may be applied to applications received before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to section 4.7. For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where Adamstown Community College is not oversubscribed, *i.e.* there is no waiting list, and it receives a late application, the Student seeking admission will receive an offer of a place within Adamstown Community College, subject to sections 4.7, and the same process as applies to Applicants whose applications were received before the closing date will be applied, *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

6.1.5 Second/third round offers of a place

Where a student is in receipt of an offer of a place within Adamstown Community College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds etc. until all places within the school have been filled.

6.1.6 Acceptance of a place

If the student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer as set out below.

6.1.7.5 The information contained in the application is false or misleading in a material respect.

6.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

6.1.8.1. The information contained in the application is false or misleading in a material respect, or

6.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or

6.1.8.3. An Applicant has not indicated:

(i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);

and

(ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place for that academic year (and shall not be placed on a waiting list). If the Applicant still desires a place for that academic year, a new application must be made for the same academic year on behalf of that Student and shall be treated as a late application in line with section 6.1.4 above.

6.1.9 Appeals

For information relating to an Applicant's right to appeal a decision of Adamstown Community College regarding admission to a year-group other than First-Year, see section 6.2.

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Adamstown Community College. Such a review must be sought by the Applicant within twenty-one calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info.adamstowncc@ddletb.ie

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

6.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Adamstown Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Adamstown Community College. Such a review must be sought by the Applicant within twenty-one calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing info.adamstowncc@ddletb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's 'Procedures for hearing and determining appeals under section 29', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, the Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998 as outlined in the immediately preceding paragraph.

6.2.3. Basis for a review by the board of management:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.
